

Energy E-Book Guide On How To Save On Energy

Take the guess work out of Energy Procurement!

The future of energy purchasing is here!

Save on what your company spends for electricity and natural gas with Bid on Energy.

Energy costs, whether electricity or natural gas, can be one of your business' greatest expenses. No matter the industry sector you operate in, being able to save on your company's energy costs, empowers your business to run more efficiently, by adding to your bottom line!

Here at Bid on Energy we have created our proprietary technology that will help you reach this goal. Our platform makes electricity and natural gas suppliers compete for your electricity and natural gas business! With over 90 suppliers, our technology, provides your business with a choice of fixed, variable, or time day rates to choose from. We will deliver the most affordable option for your business.

Whether you are a large or small energy user, your business benefits from our experience consultation, technology, notices, and better energy rates too! Unlike most brokers and consultants, via our technology, we provide you with cutting-edge tools and leading strategies, that will help lower your energy costs.

Peak Grid Day Alerts - We track your energy usage throughout the year and send you up to 10 notices annually. With these notices you know, what day and time to reduce your energy usage, in order to lower your annual energy consumption

TODAY!
PEAK ELECTRIC GRID ALERT
Tuesday, September 1
3:30pm - 5:30pm CST

3-5 pm CST

Tuesday, September 1

Lower your electricity usage on **Tuesday**

UP TO 30%

Annual Savings

Lowering your electricity usage on Tuesday could reduce your annual utility bills.

5

Peak Grid Days

We've predicted 5 opportunities to save this season. We'll continue to alert

Renewal Notice - We send emails to let you know when your contract(s) are over, what the rates are at least 3 months before your agreement ends. We work with you to ensure you know when there are low renewal energy rates available.

Your Electricity contract is up for renewal

Your Electricity contract is coming up for renewal in 30 days (03/01/2021).

Utility Companies

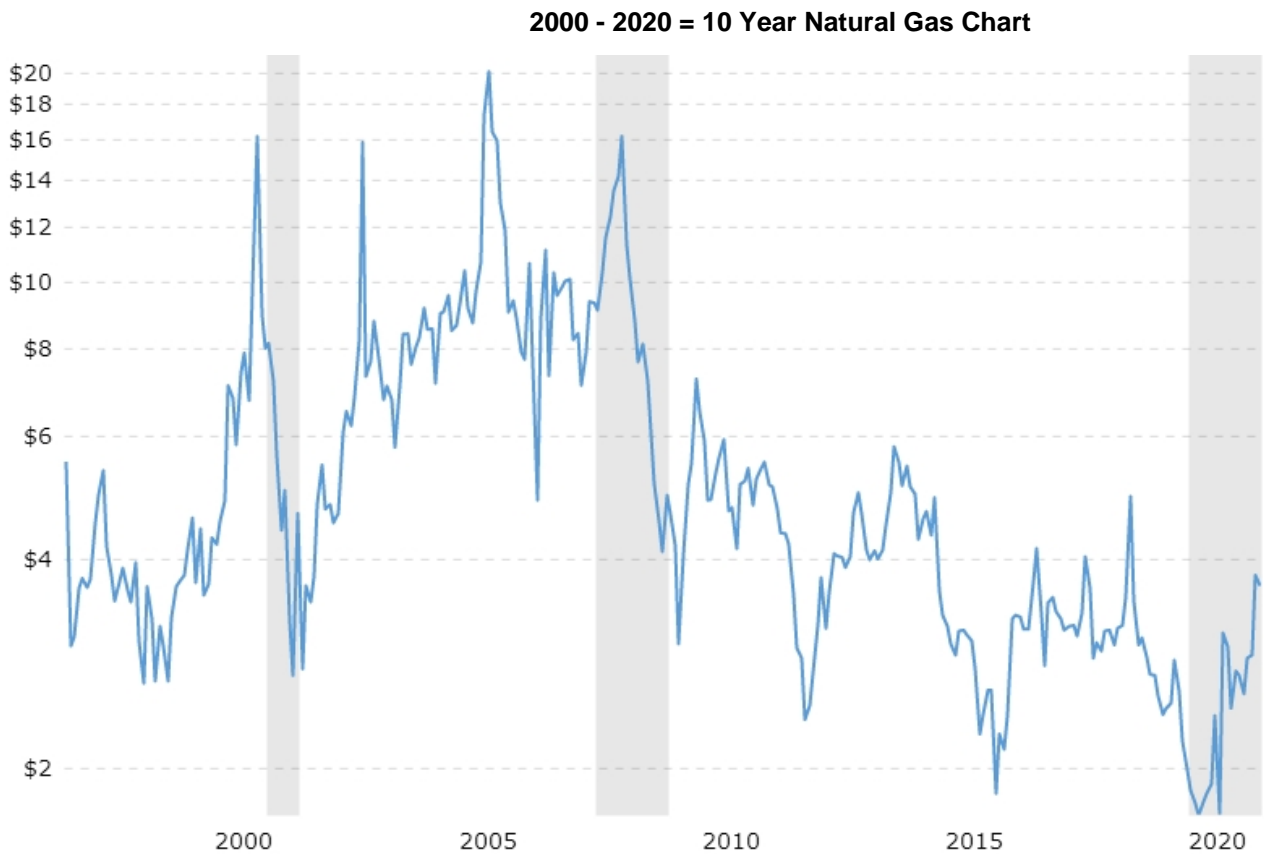

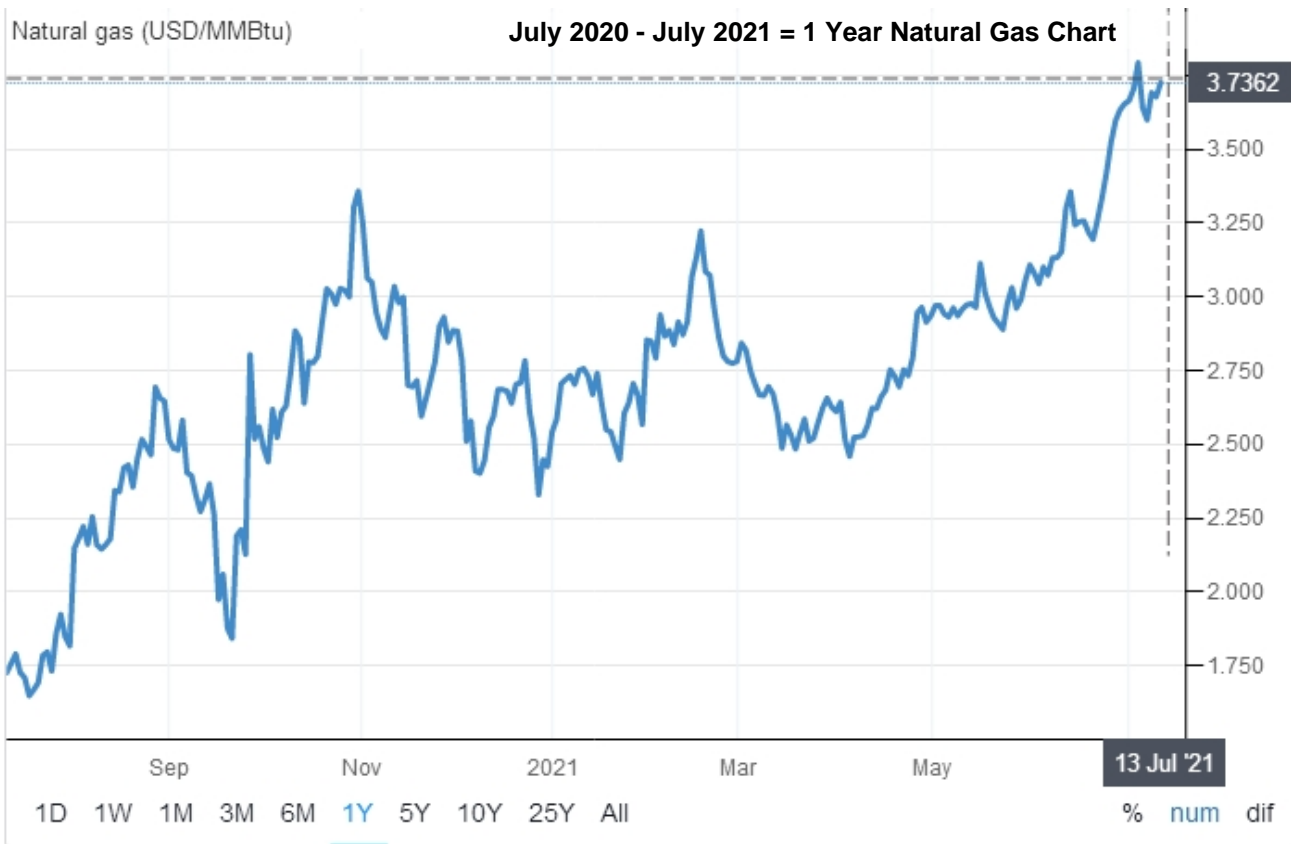

Find Electric Utility Phone numbers for new service or emergency down line or gas leak. Quick reference utility phone book provides names and phone numbers for the electricity and natural gas utility companies in The United States.

www.TheEnergyCompany.org

www.BidOnEnergy.org

Natural Gas over the last year has increased more than double in price.

Natural Gas is projected to go higher in 2021, 2022 and 2023

Electricity Table is an average retail price of electricity in cents per kilowatthour

Chart is for April 2021
